

## **Manhattan Wildlife Association Guest Policy**

Members continue to enjoy bring guests out to the range under the policy without limitation by completing the day use form (for guests of current members ONLY) and paying the fee. This appears to be working well for everyone. Day use forms are in the box next to the outside west door, entrance to restrooms, of the East Club house. More information can be found in the Guest Policy on the MWA web site. Your guest must keep the guest pass with them at all times and accompany you at all times and shoot with you while on the range.

### **MWA Website Membership Renewal**

We are working right now on getting things setup for current members to be able to renew their memberships via a link through our website. We are hoping to have this up and running by Mid April, so please keep checking the website for that availability. The cost for renewing membership via credit or debit card will \$55.00 a year and paying through the mail or on-site at the range during one of the available days listed on the first page in this newsletter in person with cash or check will be \$50.00 a year. Thank you and remember to keep checking our website for current updates on this and other news.

## **Murdoch's Home and Ranch Expo**

Murdoch's Home and Ranch Supply will again having an exposition this year. It will be in June this year, Saturday June 23rd. The entire range will be closed for the entire day. Friday July 23rd they will be conducting training and setting up for the event and from 1 pm until 9 pm and the entire range will be closed. Murdoch's set up early entry for our members before opening to the public so mark your calendars as this event is a great opportunity to see new products from many of the major firearms manufactures.

After the Event on Saturday June 23<sup>rd</sup> the entire range will remain closed and NOT accessible for members as they and a couple designated members clean up the range. If members try to come on range with their vehicles or climb over fence before or after the event they will be barred from the range for a minimum of 1 year.

Look for more detailed information in this new letter.

Please take care as not to hit the Adopt a Bay signs with your vehicle and or shoot at them. If you see one that has been damaged or hit by a vehicle please contact me as soon as possible.

Please remember to take care of your adopted bay and to cleanup and police it and to please regularly check on and replace the backer boards. With spring here the bays will need extra attention, so please go out and clean up your adopted bay and clean garbage as soon as you can. They have not been done on any regular basis and the board has had to do it several times in the last few months. Please let me know if you no longer what the bay your have adopted and I will find someone else to take it over.

Thank You,  
Dawn
