January, 2010

## From The President...

Greetings,

We have arrived at the end of another year. I hope you had a successful hunting season.

We vote for Manhattan Wildlife Association and Land Board members at our January meeting, so please attend if you possibly can. Terms are up for Doug Croghan, Nick Pipinich, and Hank Hecker. The January meeting is also when we fill the calendar for 2010 so reserve your days early, Nick has started the calendar already to get a head start on it for the January meeting. Your participation in our club is essential.

Have a very Merry Christmas and a safe and Happy New Year.

George Chancellor

As our President has said, the January meeting is our voting meeting. Two positions are up for re-election election, Doug Croghan our Treasurer and Nick Pipinich our Secretary. On the Land Board, Hank Hecker's term is up for re-election - election. Please plan on attending this meeting to show support toward the club and vote for re-election of these officers or to nominate someone to either of the boards. The MWA board term is for 3 years and the Land Board term is for 5 years. We hope to see you all come out and cast your vote. Also remember to get your dates for next year submitted to Nick early for the calendar if you can.
