

Club President News

Hello MWA Members,

I hope everyone is having a great fall shooting and hunting season. I wish you all a wonderful holiday season.

I want to thank all of you MWA members for your patience and understanding this past year as we have all been dealing with the safety video requirement and the new gate card distribution. Your Board of Directors feel that the short safety video is a great learning tool for new MWA members and a good reminder for long time members as to the dos and don'ts of safety at the MWA range. We can't be too safe!

We also feel that as our club moves into the future our new electronic gate system will be a great asset to our club, by giving all members much easier entry and exit access as you come and go at the range. It also should offer better security to our range by making it much harder for non-members to gain non-approved entry to the property.

As we move into the 2018 membership year it should be much easier to renew your membership, as the video is a one-time thing, and you have picked up your automatic gate card, all renewals can be accomplished through mail and the possibility of online with a credit card is being researched. (if you have been a MWA Member in 2017).

Watch for details for opportunities to purchase a current year membership, or the new options and times for being a MWA member in the spring of 2018. Watch for these in this and future newsletters and the club website.

Thank you for being a member of one of the finest target shooting clubs in Montana, The Manhattan Wildlife Association.

Be Safe and Shoot Straight

TRAP NEWS

Hello MWA Trapshooters

Trapshooting at Logan continues as usual on Wednesday evenings at 6:00 PM until ? and on Sundays from noon until about 4:00 PM. These hours will continue through the winter.

We will be having a Holiday fun shoot on Saturday, December 30th starting at 11:00 am until later in the afternoon. There will be all kinds of fun shoots with turkeys and hams to be won. Practice shooting will also take place.

Trapshooting at Logan will NOT be open on Sunday 12/24/17 – Christmas Eve. Trapshooting at Logan will be open on Sunday 12/31/17, New Year's Eve. from noon until 4:00 pm.

We will have a winter trap league starting around the first of February if there is interest. It will be a 5 person team, 50 targets per week league. Let someone know at the trap counter if you are interested.

We will again (3rd year in a row) be hosting the Montana State Team All Class Singles Shoot on Saturday and Sunday, April 21st and 22nd, 2018 at our Logan Range. This is an ATA registered shoot. It features teams made up of a Class A, B, C, and D shooters and a new shooter (who has never shot registered targets prior to the current year). This shoot has been a very successful shoot for our club the last two years as well as a very fun event. We need shooters of all abilities and new shooters to come forward for the event. Shoot details will be posted and help will be available for getting teams together after the first of the year.

Please call me with any questions about the Team Shoot or any other trap questions you may have.

Thank you
